

Collection	Title	Main Subject	Sub Subject	Print Pub Year	eISBN
Art	An Introduction to the Philosophy of Art	Philosophy	Philosophy (general)	2003	9781139164740
Art	Modern Architectural Theory	Art	Architecture	2005	9780511497728
Art	Prehistoric Rock Art	Archaeology	Prehistory	2010	9780511761454
Art	The Cult of the Avant-Garde Artist	Art	Western art	1993	9780511624308
Art	The Paradoxes of Art	Philosophy	Philosophy (general)	2004	9780511616280
Art	Beyond Aesthetics	Philosophy	Philosophy (general)	2001	9780511605970
Art	Concrete Vaulted Construction in Imperial Rome	Art	Architecture	2005	9780511610516
Art	Michelangelo	Art	Western art	2009	9780511998270
Chemistry	Amino Acids and Peptides	Chemistry	Chemistry (general)	1998	9781139163828
Chemistry	Introduction to Physical Chemistry	Chemistry	Physical chemistry	1998	9781139170925
Chemistry	A Life Scientist's Guide to Physical Chemistry	Life sciences	Molecular biology, biochemistry, and structural biology	2012	9781139017480
Chemistry	An Introduction to Thermodynamics and Statistical Mechanics	Physics	Statistical physics	2007	9780511801570
Chemistry	Chemistry and the Environment	Earth and environmental science	Geochemistry and environmental chemistry	2012	9781139109390
Chemistry	Geochemistry	Earth and environmental science	Geochemistry and environmental chemistry	2003	9781139165006
Engineering	An Introduction to Composite Materials	Engineering	Materials science and engineering	1996	9781139170130
Engineering	Basic Structural Theory	Engineering	Civil and geotechnical engineering	2008	9780511754487
Engineering	Differential Equations for Engineers	Engineering	Engineering mathematics and programming	2010	9780511761683
Engineering	Fatigue of Materials	Engineering	Materials science and engineering	1998	9780511806575
Engineering	Magnetic Materials	Engineering	Materials science and engineering	2010	9780511781599
Engineering	Materials for Engineers	Engineering	Materials science and engineering	2008	9780511810732
Engineering	Mathematical Methods for Physics and Engineering	Physics	Mathematical methods and computational tools	2002	9781139164979
Engineering	Vibration of Axially-Loaded Structures	Engineering	Civil and geotechnical engineering	2007	9780511619236
Engineering	Viscoelastic Materials	Engineering	Materials science and engineering	2009	9780511626722
Engineering	Fundamentals of Digital Imaging	Engineering	Image processing and machine vision	2008	9780511754555
Engineering	Biomimetic Robotics	Engineering	Engineering design, kinematics, and robotics	2009	9780511609688
Engineering	Engineering Design	Engineering	Engineering design, kinematics, and robotics	2012	9781139031813
Engineering	Structure of Materials	Engineering	Materials science and engineering	2012	9781139051637
Engineering	A Practical Introduction to Electronic Circuits	Engineering	Circuits and systems	1995	9781139172837
Engineering	Fundamentals of Wireless Communication	Engineering	Wireless communications	2005	9780511807213
Engineering	Introduction to Medical Imaging	Engineering	Biomedical engineering	2010	9780511760976
Engineering	Introduction to Orthogonal Transforms	Engineering	Communications and signal processing	2012	9781139015158
Engineering	Machine Learning	Computer science	Pattern recognition and machine learning	2012	9780511973000
Engineering	Wireless Communication Systems	Engineering	Wireless communications	2010	9780511841453
Engineering	A Student's Guide to Data and Error Analysis	Engineering	Engineering (general)	2011	9780511921247
Engineering	A Guided Tour of Mathematical Methods	Physics	Mathematical methods and computational tools	2004	9780511983962
Engineering	Advanced Mathematics for Applications	Mathematics	Mathematical modelling and methods	2011	9780511777530
Engineering	Fracture Mechanics	Engineering	Solid mechanics and materials	2010	9780511806865
Engineering	Fundamentals of Materials for Energy and Environmental Sustainability	Engineering	Materials science and engineering	2011	9780511718786
Engineering	Intermediate Dynamics for Engineers	Engineering	Solid mechanics and materials	2008	9780511791352
Engineering	Mechanical Behavior of Materials	Engineering	Solid mechanics and materials	2009	9780511810923
Engineering	Mechanical Behavior of Materials	Engineering	Materials science and engineering	2008	9780511810947
Engineering	Mechanics of Solid Materials	Engineering	Materials science and engineering	1990	9781139167970
Engineering	Physical Properties of Polymers	Engineering	Polymer science and engineering	2004	9781139165167
Engineering	Reinforced and Prestressed Concrete	Engineering	Civil and geotechnical engineering	2010	9780511997372
Engineering	Advanced Dynamics	Engineering	Engineering design, kinematics, and robotics	2003	9780511800207
Engineering	Manufacturing Automation	Engineering	Industrial manufacturing, and operations engineering	2012	9780511843723
Engineering	Principles of Optimal Design	Engineering	Engineering design, kinematics, and robotics	2000	9780511626418
Engineering	Automotive Control Systems	Engineering	Control systems and optimization	2012	9780511844577
Engineering	Dynamic Modeling and Control of Engineering Systems	Engineering	Control systems and optimization	2007	9780511805417
Engineering	Introduction to Chemical Transport in the Environment	Engineering	Civil and geotechnical engineering	2007	9780511808944
Engineering	Applied Digital Signal Processing	Engineering	Communications and signal processing	2011	9780511835261
Engineering	A Student's Guide to Fourier Transforms	Physics	Mathematical methods and computational tools	2011	9780511762307
Engineering	A Student's Guide to Coding and Information Theory	Engineering	Communications and signal processing	2012	9781139059534
Engineering	An Introduction to Mineral Sciences	Earth and environmental science	Mineralogy, petrology and volcanology	1992	9781139170383
Engineering	An Introduction to Radio Frequency Engineering	Engineering	RF and microwave engineering	2004	9780511801327

Engineering	Circuits for Electronic Instrumentation	Engineering	Circuits and systems	1991	9781139170246
Engineering	Digital Integrated Circuit Design	Engineering	Circuits and systems	2008	9780511805172
Engineering	Digital Logic Design	Computer science	Computer hardware, architecture and systems	2012	9781139226455
Engineering	Digital Signal Compression	Engineering	Communications and signal processing	2011	9780511984655
Engineering	Digital Signal Processing	Engineering	Communications and signal processing	2010	9780511781667
Engineering	Distributed Computing	Engineering	Communications and signal processing	2008	9780511805318
Engineering	Electromagnetic Field Theory Fundamentals	Engineering	Electromagnetics	2004	9781139165297
Engineering	Fundamentals of High-Frequency CMOS Analog Integrated Circuits	Engineering	Circuits and systems	2009	9780511807121
Engineering	High-Frequency Integrated Circuits	Engineering	RF and microwave engineering	2013	9781139021128
Engineering	Introduction to Subsurface Imaging	Engineering	Image processing and machine vision	2011	9780511732577
Engineering	Materials Science	Engineering	Materials science and engineering	2006	9780511618345
Engineering	Microprocessor Architecture	Computer science	Computer hardware, architecture and systems	2009	9780511811258
Engineering	Numerical Electromagnetics	Engineering	Electromagnetics	2011	9780511921353
Engineering	Numerical Methods in Engineering with MATLAB®	Engineering	Engineering mathematics and programming	2009	9780511812200
Engineering	Numerical Methods in Engineering with Python	Engineering	Engineering mathematics and programming	2010	9780511812224
Engineering	Radio-Frequency Electronics	Engineering	RF and microwave engineering	2009	9780511626951
Engineering	Software Receiver Design	Engineering	Communications and signal processing	2011	9781139005227
Engineering	The Design of CMOS Radio-Frequency Integrated Circuits	Engineering	RF and microwave engineering	2003	9780511817281
Engineering	Wireless Communications	Engineering	Wireless communications	2005	9780511841224
Engineering	A First Course in Digital Communications	Engineering	Communications and signal processing	2009	9780511841583
Engineering	A Foundation in Digital Communication	Engineering	Communications and signal processing	2009	9780511981234
Engineering	A Student's Guide to Vectors and Tensors	Physics	Mathematical methods and computational tools	2011	9781139031035
